YOUR FUTURE STARTS HERE!

SCIENCE MAJOR? **PLAN TO TRANSFER?** **WANT A HEAD START?**
Start here. Get there.

YOUR FUTURE STARTS HERE!

Interested in a career in psychology, chemistry, biology or one of the other biomedical sciences? Are you planning to transfer from Mesa to UCSD or another four-year university? If so, you need to know more about the San Diego Mesa Bridges to the Baccalaureate Program.

WHAT IS BRIDGES ALL ABOUT?

The Bridges to the Baccalaureate Program is funded by the National Institutes of Health to support scientists in the earliest stages of their careers. The program's goals are to help you get into UCSD, excel at UCSD, and graduate from UCSD as a young investigator ready to take on the biomedical and behavioral challenges that confront our well-being. How? By providing you with hands-on research experience and mentoring in cutting edge laboratories at UCSD while you are still a Mesa student.

WHAT IS IN IT FOR YOU?

Better question: What's not in it for you? As a Bridges scholar, you complete intensive research training and work in a research lab at UCSD. The program PAYS our scholars for their work while they rack up experience, form important academic relationships, and develop confidence that everything is possible.

WHO IS ELIGIBLE?

All students are encouraged to contact the Bridges office for more information. Students who are eligible for FUNDING are:

- Members of an underrepresented minority group
- Maintaining a 2.8 GPA
- Planning to transfer into a biomedical major
- U.S. citizens or permanent legal resident of the U.S.
