

# EMERGENCY OPERATIONS CENTER

## Update

November 24, 2009

Dear Student:

The San Diego Community College District has received a supply of the H1N1 vaccine for students. We encourage you to take advantage of this FREE vaccine. Due to limited quantities, only students will be vaccinated, not family members. Students will be required to demonstrate enrollment status. Students under the age of 18 will be required to bring written permission from a parent or legal guardian.

The Centers for Disease Control states that individuals who are 24 years of age or younger, have a medical condition, or are pregnant are at the highest risk and strongly encouraged to get vaccinated. Therefore, “priority” dates and times have been scheduled for this group.

<b>PRIORITY DATES</b> <b>*under 24, medical condition or pregnant ONLY</b>		
December 1, 2009	Mesa College - H117/118	8:00 am – 8:00 pm
December 7, 2009	City College - Cafeteria	8:00 am – 8:00 pm
December 9, 2009	Miramar College - Café D-200 bldg	8:00 am – 4:00 pm

Below is the vaccination schedule for all other students, please note the date and time for your college:
