

Renewal Partnership Agreement

2008-2009

In the promotion of understanding and cooperation between business and schools within the San Diego community,

San Diego Mesa College

Business

and

Madison High School

School/Program

hereby agree to renew their partnership in education.

The intent of this partnership is to support student achievement and to provide mutual assistance and benefit through shared time and resources. **The mission statement for this partnership is:**

To promote community collaboration and improve student achievement by supporting teaching and learning in the classroom.

To provide mutual benefit for Madison High School and Mesa College by increasing the coordination of school and college activities, sharing school and college facilities, and working collaboratively to transition students from high school to college.

The effectiveness of our partnership will be measured by:

- Completion of the designated activities.
- Feedback from all participants involved in the partnership activities.
- Consistent and timely communication between the partners.
- Shared goals and expectations.
- Completion of an end-of-year partnership evaluation distributed by the Partnerships in Education Office.
- Creation of a Partnerships in Education committee to facilitate partnership activities.

The following partnership activities are planned:

- Allowing Madison High School to use Mesa College classrooms, meeting rooms, athletic facilities and parking areas within SDCCD guide lines.
- Providing instructors to teach college level classes at Madison High School.
- Developing career awareness curriculum that will prepare students for the future work force.
- Assisting with matriculation activities on Madison High School campus.
- Giving Madison High School students priority registration at Mesa College.
- Inviting Madison High School students to college productions and special events
- Providing Madison High School students with current transfer information by assigning a Mesa College counselor to work with students, faculty, and parent groups.

- Developing several special Madison/Mesa College partnerships that would include:
 - a) Transfer Partnerships
 - b) Teacher Preparation-Partnerships
 - c) Technology and Business Application
 - d) Service Learning Partnerships
- Sharing staff development resources.
- Providing Madison High School staff members with opportunities to work at Mesa College as instructors.
- Providing an annual profile of Madison students attending Mesa College.

In reciprocation and appreciation, the school/program plans the following:

- Madison High School will recognize the partnership for the new school year.
- Mesa College personnel will be invited to appropriate school activities and partnership/volunteer recognition events.
- Partnership articles will be published in the school's newsletter updating parents and the community on collaborative partnership activities.
- Letters of appreciation/reflection will be written to the partner.
- Madison High School counseling faculty will consult with Mesa College to ensure that students are well prepared with course requirements, current transcripts, etc.
- Madison High School will encourage students and parents to attend Mesa College.

As partners in education, we pledge our commitment to cooperatively achieve the goals developed in this agreement.
