Teams Calling is Here!

SDCCD Teams Calling is the new tool that gathers information that teams need to work effectively and perform at their peak. This chat-based workspace combines chat, documents, people, and tools in one secure place.

Microsoft Teams helps you and the people you work with to:

- Communicate in the moment and keep everyone in the know
- Gain easy access to the information you need right in Office 365
- Customize the workspace with the specific content and capabilities you need
- Collaborate with the freedom and confidence of Office 365 security

SDCCD Teams Calling will help you work smarter, wherever you are and on any device!

One central hub to meet, work, call, and chat.
