

SHARED SPACE AGREEMENT

In our San Diego Mesa College community, we frequently share common physical and virtual spaces with other individuals or entities. We champion the following approaches in order to create an inclusive and respectful environment:

- Demonstration of kindness to self and others
- Open communication, empathy, and accountability
- Celebration of diversity and inclusion

We aim to build a stronger, more connected, and thriving community for all by embracing these practices and adhering to our space guidelines. Thank you for being a part of the Mesa College community.
